

3<sup>rd</sup> International Workshop on

# FAST NEUTRON DETECTORS AND APPLICATIONS

May 6 - 10, 2018, **Beijing**

## Topics

Fast neutron detectors  
Methods and facilities for the production of fast neutrons  
Simulation of detectors and fast neutron facilities  
Signal processing and data analysis techniques  
Fast neutron applications  
Radiation Metrology

## Scientific organizing team

X. Ruan (Chair)	China Institute of Atomic Energy
R. Nolte	Phys.-Techn.Bundesanstalt
Z. Ge	China Institute of Atomic Energy
A. Bufferler	University of Cape Town
