## 欢迎辞

尊敬的各位国际友人与港澳同胞，各位参会代表：

作为中华医学学会副会长兼秘书长，我谨代表中华医学学会，向参加中华医学学会2018年学术年会与“第二届中巴医学大会暨‘一带一路’医学学会论坛”活动的巴基斯坦、哈萨克斯坦、泰国、斯里兰卡、美国、英国、日本等国家及香港与澳门地区，以及内地医学学会代表与各专业领域的知名专家们，致以热烈的欢迎！

作为中国最大的非营利性学术组织之一，中华医学学会成立于1915年，现在已经拥有67.7万名会员、88个专科分会、近500个专业学组，加入了42个国际性和区域性医学组织，出版发行184种纸质、电子系列医学期刊，每年主办承办近300个国际国内医学学术会议。中华医学学会在过去的百年历史岁月中，始终不遗余力地推动中外学术交流、促进医学科技进步，也得到国际医学界的鼎力支持。

为推进“一带一路”区域医学学术交流，促进人员往来与民心相通，中华医学学会第25届理事会将“搭建‘一带一路’医学走廊服务平台”纳入学会五年规划发展目标。近年来，中华医学学会陆续与巴基斯坦、美国、俄罗斯、哈萨克斯坦、泰国、斯里兰卡等国家医学学会和香港医学学会建立了常规的合作交流机制。“中巴医学大会”“中斯学术研讨会”“中日医学交流会议”等活动为促进双边学术交流发挥了积极的促进作用。

为进一步深化落实中巴经济走廊建设，在巴基斯坦医学学会提议下，中华医学学会与巴基斯坦医学学会于2016年1月8日共同召开了“第一届中巴医学大会”并签署了合作备忘录，两会正式建立了兄弟学会的关系，将共同建设“中巴医学走廊”，并寻求在继续医学教育、病人护理、学术交流、医学信息与经验分享等方面开展双边交流与合作。巴基斯坦总统Mamnoon Hussain出席大会并设宴款待了中华医学学会代表团一行。总统先生希望本次中巴医学大会的召开，能将中巴医学交流与合作提升到新高度并产生实质性的飞跃。作为兄弟学会，中华医学学会将与巴基斯坦医学学会共同努力，为建设“中巴医学走廊”贡献力量。

一年多来，在两会的共同努力下，中巴两国医学学术交流与合作不断推进，共同合作举办了第一届中巴肝病论坛、南亚区域合作联盟骨科大会、国际及港澳医学学会联谊交流会、中巴眼科学术论坛、“一带一路”国际糖尿病论坛等活动。“中巴医学走廊”变得繁花似锦，成为中巴经济走廊建设中独特的景观。

“第二届中巴医学大会”将汇聚来自中巴神经外科学、眼科学等10余个专科的知名专家交流该领域的研究现状与诊疗进展。“一带一路”医学学会论坛也将聚焦“学会发展与对外交流合作”，来自各国和港澳地区医学学会的领导者们将就学会发展与开展多双边交流合作分享宝贵经验，进行深入探讨。

最后，祝愿本次大会圆满成功。

饶克勤

中华医学学会副会长兼秘书长

## 欢迎辞

作为巴基斯坦医学会主席，我很荣幸地欢迎所有卫生专业人士参与2018年1月26—27日在中国北京召开的中华医学会2018年学术年会与第二届中巴医学大会暨“一带一路”医学学会论坛活动。

自2016年在巴基斯坦卡拉奇市组织召开第一届中巴医学大会后，作为“中巴医学走廊”的巴方合作伙伴，巴基斯坦医学会对协助组织第二届中巴医学大会暨“一带一路”医学学会论坛这一重大活动感到非常自豪。北京举世闻名，历史悠久，有着非常重要的地理、政治地位，并以丰富的文化艺术、美丽的历史建筑和美味的传统食物而闻名，最重要的是有着充满爱心和关心的“北京人”。我们在此以同样传统的热情和热诚热切欢迎所有参会者的到来。

本次会议的学术项目包括内科和相关学科、外科和相关学科、骨科、妇产科、耳鼻喉科、眼科等一系列主要的医学专科。我相信，在此次大会中，中国和巴基斯坦兄弟医学会高级医务人员的学术水平将达到参会者的期望和要求。

我十分感谢组委会，尤其感谢中华医学会副会长兼秘书长饶克勤教授，姜永茂主任、孟庆龙副主任以及对外联络部项目主管赵伟立女士在医学领域加强与巴基斯坦的关系方面所做出的夜以继日的努力。

我确信并相信，我们所有的来宾都将得到尽可能最好的照顾，且这将是我们可以丰富知识并非常值得纪念的一次活动。

## Welcome Message

Dear foreign friends, compatriots from Hong Kong and Macao, and every participant.

As the vice president and secretary general of Chinese Medical Association, I'd like to extend a warm welcome to the famous experts in all professional fields and the representatives of medical associations from the countries, such as Pakistan, Kazakhstan, Thailand, Sri Lanka, The United States of America, The United Kingdom and Japan, Hong Kong and Macao regions, and Mainland China, for participating in the 2<sup>nd</sup> Pak-China Medical Congress and the Belt and Road Forum of Medical Associations, on behalf of Chinese Medical Association.

Founded in 1915, Chinese Medical Association is one of the largest nonprofit academic organizations in China. Now, CMA owns 677 thousand of members, 88 specialty societies and nearly 500 sub-specialty groups, and has joined 42 international and regional medical organizations. CMA publishes 184 kinds of paper and electronic medical journals, and hosts or undertakes nearly 300 sessions of international and domestic medical academic conferences every year. Looking back the past one hundred years, CMA has made continued efforts to promote medical scientific exchanges between China and foreign countries, and to facilitate the development of medical science and technology. Our international colleagues also contributed their great support to CMA.

To carry forward the Belt and Road regional academic exchanges in medical science and promote the personal exchanges and people-to-people bond, the 25<sup>th</sup> Council of CMA will set up the Belt and Road medical corridor service platform, and bring it into the five-year planning and development goal. In recent years, CMA successively established regular cooperation and exchange mechanisms with the medical associations from various countries, such as Pakistan, the United States, Russia, Kazakhstan, Thailand and Sri Lanka, and with Hong Kong Medical Association. The activities like PAK-CHINA Medical Conference, SRI LANKA-CHINA Academic Seminar, and CHINA-JAPAN Medical Conference played an active role in promoting the bilateral academic exchanges.

To deepen the implementation of China-Pakistan Economic Corridor construction, under the proposal by the PMA, CMA and PMA jointly held the 1st PAK-CHINA Medical Conference on January 8, 2016, and signed MOU. Since then, CMA and PMA officially became brotherhood associations. Both CMA and PMA are taking coherent efforts to build a PAK-CHINA Medical Corridor in order to seek bilateral exchanges and cooperation in aspects of continuing medical education, patients caring, academic exchanges, medical information and experience sharing, and so on so forth. President Mr. Mamoon Hussain attended the conference and held a banquet for the CMA experts' delegation. President Hussain expressed his hope that the opening of Pak-China Medical Conference would bring the Pak-China medical exchange and cooperation up to a new high level and make it take a substantial leap. As a brother association, CMA will work with PMA hands in hands to commit ourselves in the construction of Pak-China Medical Corridor.

Within over one year period, under coherent efforts by both association, the academic exchanges and cooperation has been continuously pushed forward in both countries. We have cooperated in the 1<sup>st</sup> Pak-China Hepatology Forum, SAARC Orthopedic Conference, Caucus Meeting of International, Hong Kong and Macao Medical Associations, Pak-China Ophthalmological Forum, and the Belt and Road International Diabetes Forum, etc. There are flowers blooming like a piece of brocade along our PAK-CHINA Medical Corridor now, which present unique scenery along with PAK-CHINA Economic Corridor.

At the 2<sup>nd</sup> PAK-CHINA Medical Congress, Pakistani and Chinese famous experts from over 10 specialties like neurosurgery and ophthalmology will gather together to exchange the current research status and the diagnostic and therapeutic progress in the field. The Belt and Road Forum of Medical Associations will also focus on the academic development and the external exchanges and cooperation. The leaders of medical associations from various countries, and Hong Kong and Macao regions will share valuable experience in developing associations and conducting bilateral exchanges and cooperation.

Last but not least, I wish this conference a great success.

**Keqin Rao**  
**Vice President & Secretary General,**  
**Chinese Medical Association**

## Welcome Message

I feel honored as President Pakistan Medical Association to welcome all health professionals to the mega events including 2018 Annual Scientific Meeting of Chinese Medical Association, the 2<sup>nd</sup> Pak-China Medical Congress “An Initiative for Joint Pak-China Medical Corridor” and Belt and Road Forum of Medical Associations, 26<sup>th</sup>-27<sup>th</sup> January 2018, Beijing China.

Indeed it is a matter of great pride that Pakistan Medical Association is a partner in organizing this mega event of 2<sup>nd</sup> Pak-China Medical Congress “An Initiative for Joint Pak-China Medical Corridor” after its organization at Karachi, Pakistan in 2016. Beijing is a historical city which holds very important geo political position, known for rich culture and art, beautiful historic buildings and for its delicious traditional food and above all very loving and caring people “Beijinger”. We are eagerly awaiting the reception to all the participants with the same traditional warmth and zeal, the Beijing is known for world over.

The scientific program of the conference is a bouquet of major specialties in medical sciences including Medicine & Allied, Surgery & Allied, Orthopaedics, Gynae&Obs, ENT, Ophthalmology, etc. I am confident that the level of scientific sessions in the conference by senior faculty of medical fraternity from both the countries China and Pakistan will meet the desires and expectations of the participants.

I am extremely grateful to the organizing committee especially Prof. Keqin Rao, Vice President and Secretary General, CMA, Mr. Yongmao Jiang, Mr. Qinglong Meng and Ms. Weili Zhao for their day and night efforts in strengthening relations with Pakistan in the field of Medical Sciences.

I am sure and believe that all of our guests shall be taken best possible care and this will be a very knowledgeable and memorable event of their life.

**Prof. Muhammad Ashraf Nizami**  
**President, Pakistan Medical Association**  
**Co-chairman Organizing Committee**
