June 18, 2018

Dear Colleagues,

On behalf of the organizing committee, with great pleasure, we would like to invite you to attend “**The 7th International Workshop on CEST Imaging**”, scheduled in Beijing, China on November 13-15, 2018, called “**Beijing CEST 2018**”. The workshop is organized by the International Health Exchange and Cooperation Center, National Health Commission, P. R. China.

Chemical exchange saturation transfer (CEST) imaging is an important molecular MR imaging technique. The CEST Imaging workshop series started in 2010, and Beijing CEST 2018 is the first one in this workshop series to be organized in Asia. Beijing CEST 2018 will focus on the technical development of CEST imaging and clinical applications in a broad spectrum of diseases. Beijing CEST 2018 will continue the tradition of presenting the latest developments in this exciting and rapidly advancing field.

Place: Capital Hotel, Beijing, China

Dates: November 13-15, 2018

Workshop check-in: November 12, 2018

Abstract submission deadline: August 31, 2018

Website: <http://cest2018.medmeeting.org>

If you have any questions or need additional information, please do not hesitate to contact us via cest2018@ihecc.org. Should you need a visa invitation letter, please fill in the application form and send it to us, as well.

Welcome to Beijing CEST 2018!
